## Dilution effects

The impacts on shareholders due to the issuance and allocation of Warrants to the existing shareholders are as follows:

### 1. Control Dilution

1.1 In the scenario that the total of the KKP-W5 Warrants and the KKP-W6 Warrants, totaling 141,125,184 shares, are fully exercised by existing shareholders of the Bank, the shareholdings of the existing shareholders of the Bank will not be diluted.

$$\begin{aligned}\text{Control Dilution} &= \text{No. of reserved shares for the KKP-W5 and KKP-W6 Warrants transferred} \\ &\quad \text{and exercised by new investors} / \text{No. of paid-up shares} + \text{No. of reserved} \\ &\quad \text{shares for the KKP-W5 and KKP-W6 Warrants} \\ &= (0) / (846,751,109 * + 141,125,184) \\ &= 0\%\end{aligned}$$

\* The total number of paid-up shares as of March 2, 2023

1.2 In the scenario that the KKP-W5 Warrants and the KKP-W6 Warrants, totaling 141,125,184 shares, are fully transferred and exercised by new investors, the shareholdings of the existing shareholders of the Bank will be diluted as per the calculation below.

$$\begin{aligned}\text{Control Dilution} &= \text{No. of reserved shares for the KKP-W5 and KKP-W6 Warrants transferred} \\ &\quad \text{and exercised by new investors} / \text{No. of paid-up shares} + \text{No. of reserved} \\ &\quad \text{shares for the KKP-W5 and KKP-W6 Warrants} \\ &= (141,125,184) / (846,751,109 * + 141,125,184) \\ &= 14.29\%\end{aligned}$$

The shareholdings of the existing shareholders of the Bank will be diluted by 14.29%.

\* The total number of paid-up shares as of March 2, 2023

1.3 In the scenario that the KKP-W5 Warrants and the KKP-W6 Warrants, totaling 141,125,184 shares, are fully transferred and exercised by new investors, and the exercise of the KKP ESOP Warrants, totaling 60,000,000 shares, is also included, the shareholdings of the existing shareholders of the Bank will be diluted as per the calculation below.

$$\begin{aligned}\text{Control Dilution} &= \text{No. of reserved shares for the KKP-W5 and KKP-W6 Warrants transferred} \\ &\quad \text{and exercised by new investors} + \text{No. of reserved shares for the KKP} \\ &\quad \text{ESOP Warrants} / \text{No. of paid-up shares} + \text{No. of reserved shares for the} \\ &\quad \text{KKP-W5 and KKP-W6 Warrants} + \text{No. of reserved shares for the KKP} \\ &\quad \text{ESOP Warrants} \\ &= (141,125,184 + 60,000,000) / (846,751,109 * + 141,125,184 + 60,000,000) \\ &= 19.19\%\end{aligned}$$

The shareholdings of the existing shareholders of the Bank will be diluted by 19.19%.

\* The total number of paid-up shares as of March 2, 2023

## 2. Price Dilution

Price Dilution = Pre-offering market price – Post-offering market price / Pre-offering market price

Where:

Pre-offering market price = Volume-weighted average price of the Bank's ordinary shares traded on the SET for 7 consecutive Business Days (between February 21, 2023, and March 1, 2023) prior to the Board of Directors' resolution on March 2, 2023 to propose the issuance and allocation of Warrants to the 2023 Annual General Meeting of Shareholders, which equals Baht 66.82 per share

Post-offering market price = Post-offering market capitalization / Total issued shares of the Bank after the exercises of KKP-W5, KKP-W6, and KKP ESOP Warrants

$$= (66.82 \times 846,751,109) + (70 \times 141,125,184) + (72 \times 60,000,000) / (846,751,109 + 141,125,184 + 60,000,000)$$

= Baht 67.54 per share

\* Post-offering market capitalization = (Pre-offering market price x Number of paid-up shares of the Bank) + (Exercise price x Number of shares reserved for Issued Warrants) / (Number of paid-up shares of the Bank + Number of shares reserved for issued Warrants)

Hence, the post-offering market price is not less than the pre-offering market price. As a consequence, in any scenarios in which KKP-W5, KKP-W6, and KKP ESOP Warrants are fully exercised, they will not be affected by the price dilution.

After the Warrants are issued and registered as aforementioned, the Warrant Registrar shall amend the total amount of the Warrants registered in the Warrant Holders Register Book under the name of the Securities Depository by deducting the total amount of the Warrants registered under the name of the Right-holder under the Warrants. For those total amount of the Warrants issued to the Securities Depository, if the Warrant Registrar fails to amend (for whatever reasons), it shall be deemed that the total amount is reduced by the amount of the Warrants issued and registered in the name of such Right-holder under the Warrants.

The copies of registration document and a power of attorney must be certified as a true and correct copy by the authorized signatories of the Warrant Holders or the custodian (as the case may be) and affixed with the seal of such juristic person (if any), together with a certified copy of documents of custodian's authorized signatories specified in Clause 1) or 2).

If the Warrant Holder fails to submit the aforementioned supplemental documents when exercising the Warrants, the Bank or the agent receiving exercise intention (if any) reserve the rights to deem that such Warrant Holder does not intend to exercise the rights under the Warrants at the Exercise Date. Nevertheless, the Bank or the agent receiving exercise intention (if any) may use its discretion to allow such Warrant Holder to exercise the Warrants as deemed appropriate.

- 1.4.7 The number of Warrants to be exercised shall be in non-fractional number only. The exercise ratio shall be 1 unit of Warrants for 1 newly issued ordinary share, except where the exercise ratio is adjusted otherwise pursuant to the conditions of the rights adjustment in Clause 1.5.
- 1.4.8 If the Bank or the agent receiving exercise intention (if any) receives the documents specified in Clause 1.4.6 for notification of the intention to exercise the Warrants that are incomplete or incorrect, or the amount received for payment is not in accordance with the amount specified in the form of notice to exercise the rights to purchase the newly issued ordinary shares, or the Bank can prove that the information which the Warrant Holder filled out therein is incomplete or incorrect, or the stamp duties attached thereto (if applicable) are not in compliance with the Revenue Code, applicable regulations or laws, the Warrant Holder shall correct such error within the Period for the Notification of Intention to Exercise the Warrants. If the Warrant Holder fails to correct the error within such period, the Bank shall deem that such Warrant Holder intends to cancel the exercise of the rights to purchase the newly issued ordinary shares at the Exercise Date. - 1.4.9 Where the Warrant Holder fails to make a full payment, the Bank or the agent receiving exercise intention (if any) shall deem that the number of the newly issued ordinary shares being subscribed is equivalent to the amount of money obtained from the exercise in accordance with the exercise price and exercise ratio at that time.
- 1.4.10 In case that the Bank or the agent receiving exercise intention (if any) fails to return the money remaining from the exercise to the Warrant Holders within the period of 14 days from the Exercise Date, the Warrant Holders shall be entitled to receive the interest at the rate of 7.5 % per annum,

calculated based on the money remaining from the exercise from the date over the period of 14 days to the date on which the Warrant Holders receive the refunded money.

Nonetheless, if the Bank or the agent receiving exercise intention (if any) have duly dispatched Cheque, Bank Draft or Bank's Payment Order, crossed and made payable to the Warrant Holders, via registered mail to the address specified in the form of notice to exercise the Warrants, it shall be deemed that the Warrant Holders has duly received such refund of money and the Warrant Holders shall no longer have rights to claim any interest and/or damages in respect thereof.

- 1.4.11 When the Warrant Holder who wishes to exercise the right to purchase ordinary shares, has complied with all conditions concerning the notification of the intention to exercise the Warrants, that is, the Warrant Holder had submitted the Warrant Certificate, the form of notice to exercise the Warrants, including the supplemental documents pursuant to Clause 1.4.6, and the full payment of the exercise price has been duly made, the Warrant Holder shall be unable to revoke the exercise of the Warrants, unless consent from the Bank or the agent receiving exercise intention (if any) is obtained.
- 1.4.12 When the Warrant Holder has not fulfilled and complied with all conditions concerning the exercise of the Warrants as specified by the Bank or the agent receiving exercise intention (if any) after the end of the Exercise Date, it shall be deemed that such Warrants are nullified without being exercised and the Warrant Holder shall no longer be able to exercise the rights under the Warrants.
- 1.4.13 The Bank shall register the change in its paid-up capital with the Ministry of Commerce in the amount corresponding with the number of the newly issued ordinary shares to exercise of the Warrants within 14 days from the date on which the Bank receives the payment for exercise. The Bank shall arrange the share registrar of the Bank to register the Warrant Holders, who exercise the Warrants, as shareholders of the Bank in the shares register book according to the number of newly issued ordinary shares to exercise of Warrants.

In this regard, the Bank shall also submit an application for listing the newly issued ordinary shares to exercise of Warrants as the listed securities on the SET within 30 days from the Exercise Date.

- 1.4.14 In the event that the Underlying Shares are not sufficient to accommodate the exercise of Warrants, the Bank shall pay compensation for damages to the Warrant Holders who are unable to exercise their rights under the Warrants pursuant to Clause 1.8. Nonetheless, the Bank shall not pay compensation to the Warrant Holders who are unable to exercise their rights even if there is sufficient amount of ordinary shares, if the Warrant Holders are a Non-Thai individual or Non-Thai legal entity who are unable to exercise the right due to the foreign shareholding restriction as specified in the Bank's Articles of Association.

## 1.5 Adjustment of Rights under the Warrants

In order for preserving the interests of the Warrant Holders not to be less favorable than those currently available to them, the Bank shall adjust the exercise price and/or the exercise ratio to purchase the Bank's newly issued ordinary shares (or adjusting the number of units of Warrants in lieu of adjusting the exercise ratio) at any time throughout the Term of the Warrants, if any of the events set out below occur:

- 1.5.1 In the event of a change to the par value of the Bank's ordinary share as a result of a consolidation or split of shares, the adjustment of the exercise price and exercise ratio will be in effect

immediately, starting from the effective date of such par value according to the SET's announcement via the SET's electronic information disclosure system (SETLink), provided that the adjustment is made in order for the Warrant Holders to receive the same amount of shares as if there is no change to the par value of the Bank's ordinary shares.

(1) The exercise price shall be adjusted in accordance with the following formula:

$$\text{Price 1} = \frac{\text{Price 0} \times \text{Par 1}}{\text{Par 0}}$$

“**net price per share of the Bank's ordinary shares**” shall be calculated from the total amount of proceeds received from the offering of the new ordinary shares less the amount of expenses incurred from the offering of such new ordinary share (if any), then divided by the total number of all newly issued ordinary shares at that time.

In addition, in case there are more than 1 offering price at the same offering of the Bank's ordinary shares under the condition that the shares subscription must be made altogether, all of the offering prices shall be used to calculate the net price per share of the newly issued ordinary shares. However, in case such condition does not apply, only the offering prices that are lower than 90 percent of the “**market price per share of the Bank's ordinary shares**” shall be used for the calculation.

“**market price per share of the Bank's ordinary shares**” means the total trade value of the Bank's ordinary shares, divided by the total number of the Bank's ordinary shares, which have been traded on the SET during the period of 15 consecutive Business Days prior to the date of the calculation.

“**date of the calculation**” means the first day on which the purchasers of the ordinary shares shall not be entitled to subscribe for the newly issued ordinary shares (the first day on which the SET posts the XR sign) in case of the offering to the existing shareholders (Right Issue) and/or the first

In case the “market price per share of the Bank’s ordinary shares” cannot be determined because there is not trading of the ordinary shares during such period of time, the Bank shall determine the fair value of the Bank’s ordinary shares to be used, as a substitute, for the calculation.

“fair value” means the price evaluated by the financial advisor which has been approved by the Office of the SEC.

(2) The exercise ratio shall be adjusted in accordance with the following formula:

$$\text{Ratio 1} = \frac{\text{Ratio 0} \times [\text{MP} \times (\text{A} + \text{B})]}{(\text{A} \times \text{MP}) + \text{BX}}$$

“net exercise price or conversion price per share of the newly issued ordinary shares reserved for the exercise of rights” shall be calculated from the total amount of proceeds that the Bank receives from the offering of securities having the rights to convert/exercise into the ordinary shares or the rights to purchase the ordinary shares less the amount of expenses incurred from the issuance of such securities (if any) and the sum of the proceeds received from the exercise of the rights to convert/exercise into the ordinary shares or the exercise of the rights to purchase the ordinary shares, then divided by the total number of the newly issued ordinary shares reserved for the exercise of the rights of such securities.

(1) The exercise price shall be adjusted in accordance with the following formula:

$$\text{Price 1} = \frac{\text{Price 0} \times (\text{A} \times \text{MP}) + \text{BX}}{\text{MP} \times (\text{A} + \text{B})}$$

(2) The exercise ratio shall be adjusted in accordance with the following formula:

$$\text{Price 1} = \frac{\text{Price 0} \times A}{(A + B)}$$

(2) The exercise ratio shall be adjusted in accordance with the following formula:

In this regard, the percentage of the dividend distributed to the shareholders shall be calculated based on the actual dividend paid from the operating results in each fiscal year, divided by net profit according to the standalone financial statements of the Bank (which has been audited) after deduction of corporate income tax and legal reserves as required by laws, from the operating results of the respective fiscal period of the same year. The actual dividend payment shall include the interim dividend payment of such fiscal period.

(2) The exercise ratio shall be adjusted in accordance with the following formula:

In such case, the Bank's decision on such matter shall be deemed as final. The Bank shall notify the Office of the SEC, the SET and the Warrant Registrar such details within the period of 15 days from the date on which the adjustment is required to be made.

1.5.7 The calculation of the adjustment of the exercise price and the exercise ratio pursuant to Clauses 1.5.1 - 1.5.6 shall be independent from one another and the calculation shall be made in respective order of change. In the event that any two events or more occur at the same time, the

calculation must be made in the following orders: Clause 1.5.1, Clause 1.5.5, Clause 1.5.4, Clause 1.5.2, Clause 1.5.3 and Clause 1.5.6 respectively. In calculating the adjustment in sequential order set forth, the exercise price and the exercise ratio shall be maintained in the 3 digits of decimal.

- 1.5.8 The calculation of the adjustment of the exercise price and the exercise ratio pursuant to Clauses 1.5.1 – 1.5.6 shall not be changed in a way that will cause the exercise price to increase and/or the exercise ratio to decrease, except for the case of combining shares.

In calculating the amount of money payable upon the exercise of the Warrants, such amount shall be calculated from the new exercise price after the adjustment (with 3 digits of decimal) multiplied by the number of the ordinary shares (the number of the ordinary shares shall be calculated from the adjusted exercise ratio (with 3 digits of decimal) multiplied by the number of the units of Warrants being exercised, and fraction of shares resulting from such calculation shall be rounded down). Any fraction of Baht 1 resulted from the calculation of the adjusted exercise price shall be rounded down.

In this regard, if the adjustment made on the exercise price causes the new exercise price calculated based on the formula to be lower than the Bank's share par value, the Bank reserves the rights to only use the Bank's share par value as the new exercise price, unless the Bank has accumulated loss. The adjusted exercise ratio shall be based on the result calculated based on 1.5.1 – 1.5.6.

- 1.5.9 The Bank may adjust the exercise price together with issuing the new Warrants in replacement of adjustment to the Warrants exercise ratio. In the case that the Bank is required to issue the newly issued ordinary shares to accommodate the new Warrants, the Bank shall submit the resolution of the shareholder meeting, which resolves to approve the issuance of the sufficient number of the newly issued ordinary shares to accommodate the rights adjustment to the Office of the SEC prior to such rights adjustment. Thus, it will be deemed that the Bank is approved to offer the underlying shares.

- 1.5.10 In adjusting the exercise price and/or the exercise ratio pursuant to Clauses 1.5.1 – 1.5.6, the Bank shall inform the SET the details on adjustment by stating the reasons for the adjustment, adjusted exercise price, adjusted exercise ratio, the date on which the adjustment become effective and the number of warrants issued in place of the adjustment on exercise ratio immediately or prior to the date on which the adjustment become effective through the SET's electronic information disclosure system (SETLink) as well as inform such adjustment to the Office of the SEC and the Warrants Registrar.
